MAIN FEATURES

- ◆ Built from heavy steel plate with concealed internal hinges to offer you a high level of protection.
- ◆ Mechanical override for digital lock.
- ◆ Dual solid bolts made of heavy duty steel.
- ◆ Programmable master code and user code.
- ◆ Has one removable shelf (two height adjustable shelves for AP - 550EF).
- ◆ Four 12mm holes are provided in base or/and back panel for fixing with bolts (Anchor Bolts included).
- ◆ Built in safeguards against tampering - if any incorrect code is keyed in more than three consecutive times, the safe will automatically stay locked.
- ◆ External battery power supply.
- ◆ Easy to read touch - tone conductive rubber key pad for long lasting life.

PHOENIX digital electronic safes are covered by a twelve month warranty excluding freight & travelling.
